- If my teen minor has special health care needs, my child's provider may authorize full access to his / her MyChart account if considered to be in his / her best interest. My teen minor may also authorize my full access to his / her MyChart account after discussion of privacy rights with his/her provider.
- A reminder regarding any changes to my teen minor's MyChart account will be sent via message to the email listed on the proxy account 30 days in advance of the change. I understand I will receive the email notification and then will need to login to view the message.
